Chair weighs 80 lbs.

Chair dimensions – 46”L x 28.5”W x 42” H and fits through a standard 30” door

Chair shipping dimensions – 50”L x 40”W x 46” H and is shipped on a standard #1 pallet

Shipping weight with a pallet – 110 lbs.

Heavy duty 8” wheels with a rated capacity of 350 lbs. each

Hook ‘n Loop soft restraint straps for secure restraint of detainees while providing maximum comfort

Elbow straps ensure full restraint of detainees

No locking mechanisms for quick release of detainees in urgent situations

Memory foam headrest reduces chances of head injuries and provides greater comfort

Parking brakes on wheels keep the chair in place during the restraint process

High density polypropylene skid plate mounted underneath the foot plate allows for easier chair rotation in place (not meant for transport)

Shoulder straps do not restrict breathing

Chair is easy to use and completely adjustable for most sized people

Keeps detainees and handlers SAFE!
